

## Students:

- Arman YAYCI - B201202050
- Ridvan MUSAOĞLU - B201202062
- Ahmet Eray KARADAĞ - B201202021

**Lecture:** Web Programming

**Lecturer:** Assistant Professor Deniz Balta

**SAKARYA**  
ÜNİVERSİTESİ

# MOVBOT

## Introduction to Movbot

The movie viewing activity, which is one of the most up-to-date activities of today, is one of the most frequently performed activities all over the world. Choosing the movies to watch is a common problem for all of us. Movbot is a movie information website. This site is a website with a lot of content for people who have difficulty choosing movies, those who want to get information about in movies, actors, movie information, etc. In addition to these, MOVBOT provides assistance in the selection by providing an objective perspective.
